Hello Builders and Associates!

Things are moving along with the new name change.

Our new website is still under construction, you can visit it, www.wcba-wi.org

The new e-mail address is, info@wcba-wi.org

We have a couple of options for the new sign for our building.

Be sure to see the attached files to renew your membership, get a booth at the Expo and attend our Holiday Party!

A Message from our President:

Now that the New Year is upon us I believe that we all look forward to 2012 and the hope of what it can bring. The last few years have been trying to say the least for many of us not only as business owners but in the construction or construction related trades. Your Association realizes this and has started implementing new member to member benefits aimed at saving you money along with a new web site and focus providing you a true value as a member of the Washington County Builders Association. To date we have secured for you discounted rates on business insurance with Wright Insurance agency, AFLAC disability insurance and business insurance with Chuck Mason agency, new vehicles from Uptown Motors, web site and hosting services from Valley Technologies, commercial central & household vacuums from Taylor Vacuums and we are presently finalizing a program with US Cellular phone rate discounts as well.

The new web site is up www.wcba-wi.org and constantly being updated to get new information out to you. In the near future we are going to be offering space on the web site for you to be able to enhance your business with specific banner advertising or for those of you who have models, lots or speculative homes for sale a prominent spot on the home page focusing in on your particular offering.

The expo committee chaired by Matt McCabe has been working very hard at providing a well rounded and exciting Home Building and Remodeling show. New areas for children's activities such as the Bette Bryn Museum locomotive, face painting, bird house building, a food concession area from The Barley Pop bar & restaurant, a new configuration for booth space plus a Slinger Speedway race car along with a \$2 discount ticket given to all that attend for the speedway certainly will enhance the event making this a more well rounded event where families can browse the booths and spend the afternoon. With a larger advertising budget than prior years and posters being placed around Washington County the event is being promoted earlier with the hopes that this will be the best show ever. If you would wish to help out and sell advanced tickets at your place of business or display a poster please call Mary the Association office.

Association Board meetings are held every second Thursday of the month, 5:30pm, at the Association office and we welcome all that would wish to attend to please do so. This is your Association and we want to be assured that all concerns or ideas are presented and discussed. Many things are going to be improved in the upcoming months and we hope to bring to you a renewed Association with events, benefits and value all geared towards you the WCBA member.

All the best for 2012,
Dirk Wildt
